## **SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT**

Applicants disclose the documents listed in the attached form PTO-1449, copies of which are enclosed. Of note, an office action dated July 24, 2007, issued in corresponding Russian Application No. 2006129008/04(031522), lists Documents AG and AH. Both documents were first cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this Information Disclosure Statement.

Please note that Document AG, which is in a foreign language, is a counterpart to Document AA, a US patent, and Document AH, which is also in a foreign language, is a counterpart to Document AB, also a US patent. Under 37 C.F.R 1.98(a)(2)(ii) copies of U.S. patent documents are not required. Therefore, we have not submitted copies of Documents AA and AB. However, we will do so at the Examiner's request.

This statement is being filed before the receipt of a first Office Action on the merits. No fee is believed to be due. Please apply any charges or credits to Deposit Account No. 50-4189, referencing Attorney Docket Number 60004-118US1.

Respectfully submitted,
